## Review corner

**Tom heartly**

The quality and comfort is too good.  
the suede material looks premium.  
best cap ever.!!

**David beckham**

It worth it,you can use it ocaasionally  
but not daily. The orange part of this  
cap is ultimate and very soft.i think  
it is made up of silk.

**Tim Gebrony**

I ordered the vintage dope-suede cap  
from BOSKY which was expensive, and  
the material of the cap was good but  
the color faded very quickly, i could wear  
only once or twice.
